

Bingley Harriers & AC London Marathon Club Entry Policy

Any member who has already had his/her entry turned down by the race organisers in the current year will be eligible to apply for one of the club's allocated places. In the event that more applications are received than there are places available, the following criteria will apply and in the order shown:-

1. Those who were not members of the club at the time of their entry application to the race will be excluded.
2. Those who have been allocated a club place in any of the previous 3 years will be excluded.

(In the event that application of the above criteria results in a situation where too many names are eliminated then those excluded at the last stage will be entitled to compete in a draw to fill any remaining unallocated places).

3. Should there still be more applicants than places available then consideration may be given to seniority as a club member along with the runner's potential to raise the profile of the club in terms of performance.

All applicants will be required to submit their notification of failure to be allocated a place from the race organiser before inclusion in the club's scheme.
